LETTER OF COMMITMENT

National Air Traffic Controllers Association
1325 Massachusetts Ave, NW
Washington, D.C. 20005

Dear Founders of the Know Before You Fly Campaign:

With this letter, the National Air Traffic Controllers Association (NATCA), AFL-CIO states its commitment to actively and consciously support your mission to provide consumers and prospective business operators of unmanned aircraft systems the tools to know how to fly safely and responsibly before taking to the skies.

This mission requires partnerships and collaboration across a number of industry sectors, and NATCA is glad to join the campaign.

To that end, we are committed to:

- Providing a high resolution logo to be displayed on the Know Before You Fly website (provide both JPEG and EPS file formats);
- Including the Know Before You Fly logo that links back to the campaign's website on our own website; and
- Engaging in periodic activities promoting the campaign and the fly safe and responsibly message.

In light of the above, NATCA pledges to promote and support the Know Before You Fly campaign. We will also keep the conversation open to new opportunities that might arise around the campaign.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul Rinaldi", is written over a printed name and title. The signature is fluid and cursive.
