

NATCA Member Attends Baseball Game with U.S. Reps. Kuster and Clark

Bradley ATCT (BDL) member Shannon Lyman represented NATCA at a Red Sox game she attended with U.S. Reps. Katherine Clark (Mass.-5) and Annie Kuster (N.H.-2) last month. Both members of Congress emphasized the importance of passing the FAA Reauthorization Act and addressing air traffic control staffing issues. "They agreed it's imperative to fix ATC staffing," Lyman said.

Five Days Left to Support the Disaster Response Committee T-Shirt Fundraiser

When disaster hits - whether it is a hurricane, tornado, flood, wildfire, or man-made incident - our Union's Disaster Response Committee (DRC) stands ready to assist fellow NATCA members. The DRC is selling t-shirts to raise funds for the Disaster Relief Fund, which aids NATCA members who have experienced catastrophic losses of property and helps provide a lifeline during the most desperate times. Through the fund and the efforts of DRC members spread throughout the country, NATCA works directly with affected members to help them purchase food, gasoline, or any other supplies that might be required.

Buy Union-Made this Grilling Season

This summer holiday, celebrate with pride by choosing union-made products!

With the Fourth of July around the corner, support American workers and their families. From burgers and hot dogs, to snacks and beverages, there are plenty of union-made options to enjoy. By buying union-made, you're not just getting quality products, you're contributing to fair wages, safe working conditions, and a stronger economy for everyone. Let's make this holiday season a union-made celebration.
