

President Santa Thanks Congress Members for Passing FAA Reauthorization Bill

NATCA President Rich Santa recently met with Rep. Rick Larsen (D-Wa.), the Ranking Member of the House Transportation & Infrastructure (T&I) Committee, as well as ten other House members who are key NATCA allies and serve on the T&I Committee, to thank them for passing the bipartisan FAA Reauthorization Act of 2024. Santa spoke about the importance of maximum hiring of new controller trainees, addressing training and hiring backlogs, and using accurate staffing targets for each facility. The members thanked Santa and all of NATCA's members for their dedication to aviation safety and agreed to keep working with NATCA to ensure timely implementation of the new reauthorization law.

Save the Dates for Oshkosh AirVenture 2025

Every year, NATCA is proud to participate at Experimental Aircraft Association (EAA) AirVenture in Oshkosh, Wis. The 2025 event is July 21-27, with volunteer opportunities for NATCA members ranging from July 16-30. If you would like to volunteer to participate in the World's Greatest Aviation Celebration, save the dates for next year!

The application for volunteering for this incredible event will be launched soon, and volunteers will be notified of their selection to participate in early 2025. Save the dates and be on the lookout for the application.
