Secure Your Future with Unum: NATCA Members Deserve Protection

"Signing up for Unum was one of the best decisions I've ever made. I initially signed up as a trainee and forgot about it. After I became CPC and underwent a few surgeries on my dominant hand and was disqualified for over a year. I missed out on differentials like Sunday pay, night pay, and overtime. Initially, I didn't think about filing a claim since I was still working in an administrative role. However, during a visit to CFS, I stopped by the Unum booth, and their representative informed me that I could still file a claim due to my reduced income. Unum came in and saved me and my family tremendously during this challenging time, providing peace of mind. Their support was invaluable. I highly recommend signing up with Unum! It could be your saving grace."
