National Training Initiative: Training the Workforce of the Future

Dear FacRep,

This National Training Initiative (NTI) briefing is intended for NATCA Principal Facility Representatives (PFR), other NATCA Facility Representatives as determined by the PFR, Air Traffic Managers, Operations Managers, and Operational Supervisors.

Note: Please forward the registration email to the other NATCA Representatives in your facility who need to be in attendance.

Please join us for one of the following briefing sessions:

Western Service Area

NATCA Alaskan, Northwest Mountain, and Western Pacific Regions
Tuesday, Jan. 7, 2025, 11 a.m.-12 p.m. PDT

Central Service Area

NATCA Great Lakes, Central, and Southwest Regions
Wednesday, Jan. 8, 2025, 1-2 p.m. CDT

Eastern Service Area

NATCA New England, Eastern, and Southern Regions
Friday, Jan. 10, 2025, 2-3 p.m. EDT

Note: Please note the time zone.

The briefing sessions will educate the participants on the purpose, intent, and updates of the Air Traffic NTI.

The goal is to provide you with a practical understanding of the NTI policy at the local level, so facility leaders can collaboratively work towards the shared goal of increasing certifications.

Click on the appropriate link to register:

Note: We ask that you try to participate in the Zoom call for your service area/region. However, if due to leave or other scheduling conflicts you cannot, please join one of the other calls identified above.

After registering, you will receive a confirmation email containing information about joining the webinar. If you cannot attend the webinar you registered for, you may go back and sign up for another date at any time prior to the briefing session.

It is suggested that you log in at least 5 minutes prior to the start time of the briefing in order to ensure your participation. A copy of the NTI policy and supporting documentation will be electronically provided during the briefing and/or post briefing.

In Solidarity,

Jamaal Haltom
NATCA National Training Representative
302-399-5795
