## NATCA UPDATE FROM PRESIDENT NICK DANIELS ON OPM EMAIL

NATCA Members,

This is a follow up the previous message on this subject. We have contacted the office of the Secretary of Transportation, the Acting FAA Administrator and the FAA COO. We have impressed upon them the urgent need for clarity as it relates to the members that we represent and we are awaiting further clarification. We will provide an update once we have more information.

In the meantime, we ask that you continue to be focused on doing what you do best, maintaining the safety of the National Airspace System.

In Solidarity,

Nick Daniels  
NATCA President
