

## News from NATCA President Nick Daniels: Town Halls

We're proud to announce that the recent membership town hall maxed at full capacity on Zoom with a thousand engaged participants. These gatherings, where we update the membership on current issues and union-related matters, are not just valuable, but demonstrate our collective commitment and engagement. Equally important is the opportunity for me to address members' questions in real time, fostering a sense of open communication and transparency.

As it stands, we will host the Thursday, Feb. 20 town hall at 5 p.m. EST from the NATCA National Office in Washington, D.C. We will extend the time to compensate for lost opportunities to take and answer questions. We will host these sessions at a minimum of every other month in 2025. Your participation is crucial, and we look forward to our membership engagements and providing information to those who couldn't attend today. A more informed union is a stronger union.

In Solidarity,

Nick Daniels  
NATCA President
