

## Representative Training Prepares a New Class of Union Leaders

Last month, thirty NATCA members holding a wide variety of representative roles attended Representative Training 1 (RT-1) held at the Marriott Baltimore Waterfront. This was the first RT-1 class to ever be held outside of Las Vegas, and the hotel received positive reviews from attendees.

## Representative Training 1 Prepares a New Class of Union Leaders

Baltimore | Jan. 13-17, 2025

National Training Rep. Jamaal Haltom, National Human Performance Rep. Aaron Katz, Los Angeles Center (ZLA) FacRep Martin Ramirez, and Region X ARVPs Allen Casey and Nicole Wysong served as instructors. The class focused on the day-to-day interactions and responsibilities between

representatives and their management counterparts, as well as representatives' roles and responsibilities to the membership. President Nick Daniels and Executive Vice President Mick Devine also stopped by to speak with the class.

## CFS Planning Committee Kicks-Off Planning for the 2025 Conference

The Communicating For Safety (CFS) Planning Committee held their kickoff meeting in Chicago in late January for CFS2025. The group discussed conference themes, session formats, and pressing issues. They discussed ways to improve on last year's event, which was a huge success.

## Join NATCA at EAA AirVenture Oshkosh 2025!

From July 21-27, the world's greatest aviation celebration will bring together over 10,000 aircraft and nearly 700,000 attendees for a week of forums, exhibits, and hands-on fun. As a volunteer, you'll represent our Union and aviation safety professionals while leading sessions for pilots, inspiring kids at

KidVenture, and helping NATCA shine on aviation's biggest stage.

Volunteer opportunities run from July 16-30, and your efforts will leave a lasting impact on the aviation community. Apply by March 1, 2025, and make this incredible experience part of your story.
