ASI 2026 1st Quarter Meeting and Annual Training

January 28-29, 2026

Attendees:

- Chris Rosati, Cory Davids, Judd Wallace, Rick Martinez, Dan Carrico, Ben Nutter, Kristen McTee, Blythe Wolfe, Karena Marinas, Travis Arnold, Chris Hilbert, Dan Meyers, Thomas Eggar, Chris Hilbert, Nick Luce

Opening Comments:

- Karena and Kristen provided an update from the Committee Chair and Councils Meeting.

Committee Updates:

- **Secretary** - Chris Rosati and Dan Carrico
 - No updates
- **Treasurer** - Rick Martinez and Nick Luce
 - Over budget on investigations, due to number and scope of investigations in 2025. NEB was aware.
- **Membership/Outreach Coordinator**- Seth Myers, Kristen McTee, and Ben Nutter
 - Will develop an ASI briefing for annual safety rep meeting
 - Add a reminder to FACREPS that the NTSB will ask about a 72 hour history before the event to the “What to Expect During NTSB Investigations” Briefing
- **Standardization/Training Coordinator**- Judd Wallace, Cory Davids, and Thomas Eggar
 - Possibly develop PC training with Karena and the new training Subcommittee for 2026
 - Bring up cell phone use
 - 2026 annual training could be moved to January 2027, will decide in June or July quarterly meeting
 - NATCA event coordinator Jill will be able to negotiate with hotels for future training meetings
 - TSI training is still difficult to impossible to get funding for, Karena suggests to keep trying to get approved for training, but the FAA districts have not been approving the funds.
- **Investigation Resources/Repository Coordinator**- Chris Hilbert and Blythe Wolfe
 - No updates
- **Information Technology**- Dan Meyers and Travis Arnold
 - TEAMS doesn't seem to be deleting files anymore
 - Contact info is up to date
 - Discussed possibly moving chats and non-sensitive files somewhere else because TEAMS is not conducive to the type of workflow we need for the ASIC

Old Business:

- “What to Expect During NTSB Investigations” Briefing update. (outreach subcommittee)
 - Still in progress, will be complete by next quarterly meeting

- Add cell phone usage
- Update Accident/Incident Checklist. CER information is incorrect. (Blythe and Cory)
 - Still in progress, will be complete by next quarterly meeting
- ALPA and IFATCA potential ASI collaboration update
 - Karena is meeting with a contact from Euro Control

New Business:

- How to stay organized on an NTSB Investigation
 - ASI's gave ideas of how they take notes and ask questions
 - Karena will attempt to create a method to keep investigations organized so that all ASI's can track their investigations in one place
- Discussed the “do’s and don’ts” of an NTSB Investigation

General Discussion:

- Discussed drug testing after incident/accidents. Waiting to see if FAA will change policy after NTSB recommendations
- Seth and Dan went through differences between major and minor investigations and how much work is involved for both PC's and ASI's
- NATCA PC's will travel for all major investigations in the future
- Discussed rocket launches and associates DRA's and the impact on potential investigations in the future
- ASI's discussed takeaways from their recent investigations
 - Cell phone use in the operation is a trend, and the NTSB will subpoena cell phone records.
 - Karena will follow up with legal about cell phone use in control rooms

Annual Training Activities:

- Representative from ALPA hosted a presentation/discussion about their training programs, how they conduct investigations and their relationships with NTSB/TSB
- Delta Airlines ASI's hosted a presentation and roundtable discussion
- ASIC monitored a Delta Airlines Event Review Committee (ERC) meeting
- ASIC spent time in the B757 simulator and observed rejected takeoffs, go arounds, TCAS RA's, windshear escape maneuvers, terrain avoidance and escape maneuvers, weather deviations due to convective activity, experienced moderate and severe turbulence and observed a CAT III landing
- ASIC toured the Delta Airlines Operations and Customer Center (OCC)
- ASIC toured the Delta Airlines flight attendant training school

Carry Over Items:

- New Sub Committee members will be picked during second quarter meeting sometime in March
